I commit to membership in the *Circle Brook Farm Organic Vegetable Community Supported Agriculture (CSA)* for the 2020 season which is planned to run for **24 weeks starting Friday June 12, 2020 through Sunday, November 15, 2020**. As a member of this CSA, I will receive a weekly share of produce. The shares will vary by size and weight depending on the season.

One aspect of CSA is that members support their farmer by sharing in the inherent risks of agriculture (poor weather, drought, disease, early frost, crop failure and so on) and rewards (the bounty from a good season). CSA farmers purposely plan for such contingencies and use growing techniques that protect the harvest, minimize risk to members and optimize the rewards: growing a wide variety of crops that thrive in different types of conditions, cover cropping, crop rotation, and irrigation. Moreover, the CSA builds relationships of trust between the farmer and the community group. On the whole, members should get a wide variety of vegetables in generous amounts.

Therefore I agree that while Circle Brook Farm (John Kruger) will act in good faith to provide fresh organic produce for the duration of the season, there is no guarantee of quantities or contents of weekly shares.

I am fully aware that it is necessary to inspect and wash all produce thoroughly before consuming. John Kruger, his workers, his farm, all CSA members and administrators, and the settings we use to pick up our shares and their administrators and employees have no liability in terms of the safety of the food or the premises.

I am also fully aware that when driving, parking and picking up my CSA share at 400 16th Avenue, Brick, NJ 08724, I am aware I am being permitted onto private property, do so willingly and the homeowners have no liability.
